

Using Amazon Smile to donate to Grace Baptist Church

See this link:

http://smile.amazon.com/gp/chpf/about/ref=smi_se_rspo_laas_aas

When you login to your Amazon account, just put the word "smile" before .amazon.com, and after the http:// anytime before you place the order from your cart.

The first time you need to select your charity.

Search for and choose: Grace Baptist Church Santa Clarita, CA

Be sure it is the Grace Baptist here, as there are many others listed.

Every time afterwards, when you shop Amazon, use the Smile in the url/address to make a donation of 3% to the Church on whatever you had purchased (no extra cost to you). This can also be set up as a specific bookmark to go to initially.

If you already have this set up for some other charity, like Red Cross, you can go to your Amazon Account, and select "Your Amazon Smile" to make a new charity selection.

The donations pile up fast. Amazon had contributed nearly \$4,000 to my charity since I started the program a few years ago.
